

ENDANGERED HERITAGE

*Saving valuable
and sentimental items from
extinction, because the next generation
deserves the opportunity to cherish the past.*

With the support of the Australian Association of Consulting Archaeologists Inc.'s South Eastern Australia Committee, Endangered Heritage is offering a Professional Development series to introduce the concepts of preventive conservation to allow best practice in storing and transporting finds.

This series will begin with a 20-minute free introductory seminar;

Time: Sep 1, 2020 04:30 PM Canberra, Melbourne,
Sydney
